

LOVE ME TOO

Has spent time, sometimes I do not realize how fast the time goes ...

Is a moment, memories come in my mind, you're back beside me ...

But is it an animal, just a poor dog,

I don't care others think ... bird, snake or frog

Why love me too? I wonder: Why love me too?

Why love me too? I wonder: Why love me too?

I want that they can love and be loved

Why love me too? I wonder: Why love me too?

Why love me too? I wonder: Why love me too?

I want that all may have life in their hands

You saw a sheep give birth to a lamb?

Is to look dumb, love magic done

a sow that helps her children to be born

many horses running towards their freedom

Why love me too? I wonder: Why love me too?

Why love me too? I wonder: Why love me too?

I want that they can love and be loved

Why love me too? I wonder: Why love me too?

Why love me too? I wonder: Why love me too?

I want that all may have life in their hands

Why love me too? I wonder: Why love me too?

Love me too
